Charles Leonard, Inc.

A The Plastic Surgeon™ Package Opener “Operates” on hard-to-open plastic clam-shell packages, allowing consumers to open them in one swift motion. Easily pierces and slices around the package, safely freeing the merchandise in seconds. Ergonomic design keeps fingers away from sharp plastic edges and auto-close cover provides added safety. Surgical-grade stainless steel blade never needs sharpening. Easy-to-hold handle has cushion grip.

ID No.	Handle Material	Qty.	Unit	Price
1 LEO-44500	Plastic, Ergonomic	1	EA	8.95

B Titanium Razor Paper Cutter Blade is three times harder than stainless steel, so blades stay sharper longer. Cuts fast, easy and straight. EZ View cutting window feature. Perfect for cutting gift wrap, coupons, recipes and more.
