A Laptop Shoulder Bag This 16" laptop shoulder bag has a specially designed padded laptop section which eliminates the need to remove the laptop during security scanning. The bag opens flat, making airport check-in faster and easier. Two additional roomy storage sections with pockets and flapped compartments offer ample space to organize and carry all the necessities for business—documents, pens, memory storage, cell phone. Additional pocket with top zipper for quick access to travel or business documents. Heavyweight nylon to handle plenty of use, with a comfortable padded shoulder strap to distribute the weight. Velcro® strap on the back secures bag on top of a rolling case for easy transport of multiple bags. Manufacturer's one-year warranty.

C Conquer Backpack Features two large storage sections including a deluxe padded 16" laptop compartment with a dedicated, protective tablet compartment and a large storage area for personal items. To keep files in order, the document compartment provides a safe place to store paperwork and files and features a large space for books, binders, and other large accessories. Also includes business card holders, a phone pocket, pen loops, a key clip, and a mesh pocket. To protect fragile items such as glasses, the backpack includes two soft, scratch-resistant pockets. For superior protection against impact, the backpack includes a retractable stand-ability feature with anti-shock pad. The backpack provides an ergonomic padded back panel, waist buckle, carrying handle and padded adjustable shoulder straps for maximum carrying comfort. Manufacturer's lifetime warranty.
