

**A WYPALL® X80 Wipers** Designed to feel like a cloth and work even better. Patented technology allows this thick, strong wiper to absorb oil and water faster than rags or shop towels. Retains strength through harsh use, even when used with solvents. Ideal for heavy wiping tasks such as solvent-based surface prepping, metal shaving pickup and rough surface cleansing.

**H WYPALL® Microfiber Cloths with Microban® Protection** A "greener" cleaning option because you can both clean and remove bacteria without using added chemicals. Fiber structure allows cloths to pick up and trap dirt more effectively than traditional cloths. Absorbs up to eight times its weight in liquid. Color-coding helps reduce cross-contamination. Can be used wet or dry.
