**A Easy Switch Keyboard** Introducing our new keyboard for Mac®, iPad® or iPhone®—a beautifully designed keyboard with one touch easy-switching. Type an email on your Mac®, then quickly switch to taking notes on your iPad® or replying to a text on your iPhone®, by simply pressing one button. Keys are also sharp, bright, and always easy to read thanks to auto-adjusting illumination which dims or brightens depending on the amount of light in the room. Even recharging is convenient. Simply plug in the USB cable and recharge even while you work. Manufacturer's limited three-year warranty.

ID No.	For Device Type	Color	Unit	Price
1	LOG-920004161 Mac® iOS® and OS X devices	Black	EA	99.99

**B K760 Wireless Solar Keyboard for Mac** Powered by any indoor or outdoor light, even low light and lamp light, to eliminate battery hassles. Bluetooth® connection instantly switches from Mac® to iPad® or iPhone® typing with a single key. Slim, minimalist design easily goes wherever you go. No learning curve with the keys you're used to exactly where you expect them to be. Unique Logitech concave key cap design for faster, quieter typing. Manufacturer's limited three-year warranty.

2	LOG-920003884 iPad®, iPhone®, Mac®	Silver/White	EA	79.99

**C Bluetooth® Tablet Keyboard** This keyboard-and-stand combo is designed to travel easily, set up quickly and add a touch of convenience to all the places you use your tablet. It pairs with your Windows® 8 or Android™ tablet over Bluetooth® wireless and includes keys to help you navigate Windows® 8. It also converts into a sturdy stand that's adjustable to the angle that's most comfortable for you. You get media controls—like play, pause, volume up and volume down—right at your fingertips. Manufacturer's limited three-year warranty.

3	LOG-920004569 Android™ Tablet; Windows® 8 Tablet	Black	EA	69.99

**D Tablet Keyboard for iPad®** The low-profile, compact keyboard means you get the best of traditional keyboards and laptop keyboards, for a great experience wherever you use your tablet. On the go, the carrying case helps protect your keyboard. And once you arrive, it converts into a sturdy stand for your tablet that's adjustable to just the right angle. The keyboard pairs easily with your tablet over Bluetooth® wireless. Use it on your desk, lap or anywhere within about 30 feet of your tablet. You get media controls—like play, pause, volume up and volume down—right at your fingertips. The separate stand means you can place your tablet just where you like it in landscape or portrait mode for more freedom than other types of portable keyboards. Manufacturer's limited three-year warranty.
