A 100% Recycled OneStep® Printable Table of Contents and Dividers
Made with post-consumer recycled paper that was produced using wind-generated power. Customize index sets by printing onto the Table of Contents sheets. Matching, preprinted tabs on the divider sheets can be used in either vertical or landscape formats. Multicolored tab sets have coordinating, multicolored Table of Contents sheets. Easy-to-use, FREE online templates in your favorite software are available; details on packaging. Tabs and three hole-punched ring edges are reinforced to withstand heavy use. Laser- and inkjet-compatible. ♻️
