**Suppress the surge!**

**Eight-Outlet Surge Protector** Protect sensitive electronics while expanding available outlets. Lighted on/off switch and LED surge and ground indicator lights provide an easy way to gauge power status. Keep your computer peripherals and other electronic equipment safe with this eight-outlet surge protector. Phone line connectors protect modem, fax and other telecommunication accessories from surge damage. MOV surge mechanism is fire-resistant for added protection in the event of an extreme surge. Three wide-spaced outlets allow you to use transformer plugs without blocking the other outlets. Child-resistant sliding covers close off unused outlets. Manufacturer's limited one-year warranty.
