High-end paper to showcase your work

Versatile, super smooth and bright.

ReportSM

A Multipurpose Copy Paper 100% Ultra Bright White sheet with superior opacity and stiffness for superior performance. Containing HP Colorlok™ Technology increases ink and toner reception, as well as promoting faster drying times and more vibrant colors. This product is made from 100% renewable eucalyptus fiber from certified managed plantations that regrows in less than 7 years. This product was made from wood that came from a certified managed forest.
