**E Deluxe Headgear with Ratchet Adjustment** High-strength thermoplastic crown protector provides impact resistance. Five-position crown strap and adjustable ratchet suspension help provide a precise fit. No snaps, cams or bands needed. Must be used with 3M faceshields only (sold separately).

ID No.	Color	Unit	Price
--------	-------	------	-------

6 MMM-82501-00000 \*

\* Meets the requirements of ANSI Z87.1-2003. IMPORTANT: The 3M products in this catalog must be used in accordance with OSHA regulations, warnings, and limitations that accompany each item.

NRR footnote

\*Research suggests that many users will receive less noise reduction than indicated by the NRR due to variation in earplug fit and wearing time. It is recommended that the NRR be reduced by 50% for estimating the average amount of noise reduction provided.

These eye and face protection products help provide limited eye and face protection. Misuse or failure to follow warnings and instructions may result in serious potential injury, including blindness or death. For proper use, selection, and applications against flying particles, optical radiation and / or splash see supervisor, read User Instructions and warnings on the package or call 3M OHS&SD Technical Service in the USA at 1-800-243-4630. In Canada, call 1-800-267-4414.

These hearing protectors help reduce exposure to hazardous noise and other loud sounds. Misuse or failure to wear hearing protectors at all times that you are exposed to noise may result in hearing loss or injury. For proper use, see supervisor, User Instructions, or call 3M in U.S.A. at 1-800-243-4630. In Canada, call Technical Service at 1-800-267-4414. If there is any drainage from your ear or you have an ear infection, consult with your physician before wearing ear plugs. Failure to do so may result in hearing loss or injury.
