SURGE PROTECTORS

877-816-8767

A – B Protect It!™ Series Surge Suppressors Reliable, economical surge, spike and line noise protection for computers and all electronics. Reliable 15-amp circuit breaker offers overload protection. Diagnostic LEDs clearly indicate power problems before equipment is at risk.

A Protect It!™ Seven-Outlet Surge Suppressor Protect all electronics from surges and line noise. Transformer-friendly design accommodates one large transformer plug without covering remaining outlets. Manufacturer's limited lifetime warranty.

ID No.	Outlets	Multimedia Protection	Joules	Cord Length	Color	Equipment Insurance	Unit	Price
1 TRP-SUPER7TEL *	7	Tel/Modem	2520 J	7 ft	Light Gray	\$75,000	EA	31.20
2 TRP-SUPER7TEL15 *	7	Tel/Modem	2520 J	15 ft	Light Gray	\$75,000	EA	49.60
