19 WBI-WEB1CTR50	42 gal	33" x 48"	2.5 mil	Black	50	CT	77.79

**Get the right fit**

The right waste can liner makes a difference. A liner that's too big slips and falls into the waste can or creates a messy overhang. One that's too small is more likely to tear going in or break under the weight of the contents. Avoid wasting money on the wrong can liners. Make sure you get the right size and gauge for the job—check out our buying guide on page 1547.
