

A Height Adjustable Split Level Workstation

Tri-level adjustment lets you make the most of your workspace. Three-in-one design functions as a split level drafting table, workstation, shelving area, computer desk and more. Adjustable-height tabletop is designed to keep computer close at hand while offering easy-access overhead space for supplies. Tables can be easily lowered to serve as one flat working surface or raised to perform as a standing height workstation. Tilts up to 50°. Steel frame and melamine top.
