Add-A-Stack Shelving System

Modular filing system expands with your needs.

- Start with a Top and Base Unit, then add as many Filing Tiers as needed.
- Easy to install and expand; add another level simply by removing the top and stacking on another tier.
- Heavy-duty, reinforced steel shelves hold letter size files or folders.
- Sturdy steel dividers, four per shelf, are welded between frame and shelf for stability; rolled edges for safety and embossed structural ribs for strength.
- Manufacturer's limited one-year warranty.
- Post-consumer recycled content varies between 19%-80%, total recycled content varies between 25%-90%.
- Scientific Certification Systems (SCS) Certified Indoor Advantage™ Gold; Meets or exceeds ANSI/BIFMA standards.
