A Four-Position Value Charger Ideal for high-drain devices. Rayovac's best charger value with four-battery charging channels for efficiency. Quickly charges overnight so you can have fresh batteries in the morning. LED charge indication and overcharge protection allows for easy use and battery life optimization. Includes two AA and two AAA Rayovac Pre-Charged rechargeable batteries.

ID	No.	Unit	Price
1	RAY-PS1334B	EA	16.19

B USB Battery Charger Charge batteries from your computer or any standard USB hub. Compact size for easy portability. Includes two AA NiMH batteries, and has no memory effect so batteries won't lose charge capacity over time. Manufacturer's limited one-year warranty.

ID	No.	Unit	Price
2	RAY-PS192BGENA	PK	12.23

SPECIALTY

C e² Photo Lithium Batteries This battery is so dependable, you can count on it shot after shot. Made to deliver long-lasting power to keep up with today's high-tech, power-hungry cameras and flash units. Withstands even the most extreme temperatures.

DURACELL

F - J Specialty Batteries Duracell® makes dozens of "non-standard" batteries for flashlights, security devices, and other electronics that require smaller batteries or button batteries. Count on reliable, efficient power in different shapes and sizes.

F Ultra High-Power Lithium Batteries For applications with a high current pulse and continuous drain, Duracell® offers high rate 3- and 6-volt lithium batteries. They deliver long-lasting power to keep up with today's high-tech devices. Longer lasting to increase productivity. Wide operating temperature extremes (-40°F to 140°F).
