

Logitech

A M570 Wireless Trackball Work and play in comfort all day long with this wireless trackball that features a stable, sculpted shape to provide better support for your hand. Logitech® Unifying wireless receiver is tiny enough to stay plugged in, so you don't have to worry about it getting lost. Reliable wireless frequency transmits data quickly with virtually no delays or dropouts. Long battery life reduces the hassle of changing batteries. Precise cursor control allows you to use your trackball anywhere you choose—even hard tables, comfy sofas or lumpy beds. Batteries Included. Compatible with Mac® OS X 10.5 and Later; Windows® XP, Vista™, 7, 8. 1¾" w × 5¾" d × 3¾" h. Manufacturer's limited three-year warranty.

Logitech

C Trackman® Marble® Mouse This high-performance trackball optical mouse offers a contoured shape and ambidextrous design for improved comfort for either hand during long periods of use. Smooth fingertip control: just a slight touch on the trackball lets you control the cursor with superior speed and accuracy. Patented Marble® optical technology offers enhanced precision, ensuring faster response and smooth, reliable tracking. The larger size of the trackball improves control while reducing hand and wrist motion. Four customizable buttons for easy access to key tasks. PS2; USB connectivity. Compatible with Mac® OS X 10.3.9 and Later; Windows® XP, Vista™. Manufacturer's limited three-year warranty.
