Logitech

A Wireless Combo MK710 This low-profile keyboard features concave Incurve keys™ that position your fingers properly and soft, rounded edges invite your fingertips to glide from key to key. Up to three-year battery life for both keyboard and mouse. Hyper-fast scrolling lets you fly through long documents, or shift to precise click-to-click scrolling. LCD dashboard lets you know that Caps Lock is on. Tiny Logitech® Unifying receiver stays in your laptop and lets you connect another compatible wireless mouse or number pad. Compatible with Windows® XP, Vista™, 7. Manufacturer's limited three-year warranty.

D

D Wireless Combo MK320 Experience a 2.4 GHz wireless connection with up to a 30-foot range, even in the most crowded wireless environments with this wireless desktop set. Snap the receiver on the mouse for added convenience. Enjoy less hassle and go for months without changing batteries—up to 15 for the keyboard and up to five for the mouse. Instant-access hot keys make it easy to watch videos, listen to music, or launch applications. Full-size keyboard with low-profile keys and integrated number pad helps you type and work more comfortably without feeling cramped. Compatible with Windows® XP, Vista™, 7. Manufacturer's limited three-year warranty.

E

E K800 Wireless Illuminated Keyboard Work easily day or night with this illuminated rechargeable keyboard that automatically adjusts to brightness in room. Back-lit keys illuminate characters only, rather than the entire key, for less distraction. Hand proximity detection turns illumination on or off automatically. The PerfectStroke™ key system and Incurve Keys™ offer smooth and quiet typing on the full-size keyboard. Built-in rechargeable batteries eliminate disposable battery waste; on/off switch conserves battery. The Unifying receiver supports keyboard and compatible mouse. Compatible with Windows® XP, Vista™, 7, 8. Manufacturer's limited three-year warranty.
